GUY SAGET

AMBASSADEUR DE LOIRE

The mission of the Guy Saget brand is to demonstrate to the highest level Saget La Perrière's intention to unravel the extreme complexity associated with the Loire vineyards. A complete collection of the finest Loire wines to satisfy the most fine-tuned and exacting palates, they showcase the wine range from Guy Saget, Ambassador of the Loire.

SANCERRE ROSÉ

Location : Centre Loire.

Soil : Caillottes and clay-limestone soil.

Grape variety : Pinot Noir 100%.

Production technical data : The harvested grapes are 100% destalked. Pre-fermentation maceration until the desired colour is achieved before fermentation. This process is known as rosé de saignée (bled rosé).

Tasting notes : Clear looking wine with a light gooseberry colour. This wine's powerful bouquet is reminiscent of vineyard peach, ripe banana and raspberry. Light tannins, lovely freshness underpinned by a certain acidity, make this a superb "quaffing wine".

Perfect food pairings : Provençal style tomatos, rillettes (potted belly of pork), pan-fried calf's liver, duck with cherries.

Serve at a temperature of 9°C.
