

# Domaine des grandes Espérances

## Le Génie Orange

Vin de France  
100% Chenin

*Domaine des Grandes Espérances («High Hopes Estate») certainly lives up to its name. Child prodigy of the Saget La Perrière stable, the estate adopts a liberal, poetic style. With its undeniably contemporary spirit, it is sustainably farmed, in line with the Terra Vitis approach, French pioneer of sustainable viticulture. But even if good sense is at the heart of the estate's inspiration, pleasure is no less important. The wines are generous and festive, exuding charm and promise. High hopes indeed...*

Symbol of the freedom to produce a wine as we wished, the Orange Genius is a white macerated wine also known as « orange wine ».

### **Terroir/Grape varieties :**

A 100% Chenin blanc grown on silica clays-soils.

### **Production technical data :**

After harvesting by hand, our Chenin blanc grapes were put in small barrels for maceration for several weeks in order to give the wine structure and slight bitterness. Once devatted, the Orange Genius was aged for a few months in barrels that were used for 2 to 3 times.

### **Tasting notes :**

Pale orange color, the Orange Genius develops an intense nose of ripe fruits with notes of Angostura, plants and infused citrus. Somewhat disconcerting, the palate with peel of bitter orange aromas shows a finish slightly tight and tannic.
