

## APPELLATION

IGP Loire Valley.

## GRAPES

Cabernet Franc 100%.

## SOIL

Schist and clay.

## VINIFICATION

The Cabernet Franc grapes are manually harvested to select the most beautiful grapes. Three weeks fermentation with soft extraction followed by aging in stainless steel tanks for several months to offer a wine with great fruitiness and soft tannins.

## WINEMAKER NOTE

With a deep red color, our Cabernet Franc offers strawberries, raspberries and blackcurrant leaves aromas. The palate is supple and soft with elegant tannins for a wine showing both structure and generosity.

## ENJOY

This wine will go perfectly with red meat, roast poultry and mild cheeses.

Served at temperature : 15/16°C
